The Washington State Commission on Hispanic Affairs (CHA) seeks to fill two commissioner vacancies. The Commission advises the Governor, the legislature, state and local agencies on policies and practices that affect the Latino community of the state. Interested candidates are encouraged to visit the Commission's website at **www.cha.wa.gov**.

Current Commissioners reside in Bellevue, Everett, Olympia, Seattle, Tacoma, Vancouver, and Wenatchee. We encourage the public in general and entrepreneurs throughout the state of Washington particularly in Ferry, Lincoln, Pend, Stevens, Spokane, Kittitas, and Yakima counties to apply for these commissioner vacancies.

Commissioners are involved in substantive committee meetings and are expected to locally represent the Commission through involvement with the Latino community. All Commission members serve as volunteers. Travel reimbursements are provided for Commission business. Terms are for three years (with an opportunity for a second three-year term). Commissioners are expected to attend six meetings a year, typically held on Friday afternoon and Saturday mornings. These meetings are held every other month throughout the state.
